REMARKS

This divisional application is being filed to continue prosecution of claims 20-31 of parent application Serial No. 09/164,173. In the parent application, claims 20-31 were subject to a restriction requirement and were non-elected. Applicants note that due to a clerical error in the numbering of the claims in the original filing, there is no claim 23. The claims proceed from claim 22 directly to claim 24. Accordingly, eleven claims (claims 20-31) will be pending in the application with entry of this amendment. The amendments to the specification and claims are self-explanatory. Claims 22 and 24 have been amended to correct their dependency. They now depend from claim 20.

Respectfully submitted,
